

Husqvarna PG 280

PG 280 is a single disc floor grinder that you can quickly convert for edge grinding on both sides. It efficiently grinds adhesives, paint, epoxy and spackle. With a grinding width of 11 in. it is suitable for small to medium concrete areas. It is available in a 1-phase version. Designed to facilitate an ergonomic work position, it is easy and convenient to use. The machine is light and compact and therefore easy to transport and set-up.

QUICK CONVERSION TO EDGE GRINDING

Easily removable lid covers and wheel setting enable quick conversion to edge grinding on both sides. No tools are required. Allows an upright work position.

EASY REMOVAL

Offers efficient grinding of adhesive, paint, epoxy and spackle.

EASY TO TRANSPORT AND SET-UP

The machine is light and fits easily in any car thanks to the compact design and foldable frame and dividable parts.

EASY TO USE

The speed is fixed and no settings are required. The machine also has an user-friendly logical control panel with overload protection.

Features Husqvarna PG 280

- Self-adjusting floating cover with brush list follows the surface and gives a tight seal to prevent the dust from entering the working environment.
- Redi Lock® is an instant and hassle-free system for changing diamond tooling.
- Adjustable handlebar makes the setting of an ergonomic position easy.
- Redi Lock® is an instant and hassle-free system for changing diamond tooling. Robust system design ensures maximum protection and life of your diamond tools.
- Possibility to log operating hours.
