nifty TM42T

Developed specifically to maximize outreach at lower levels, the Nifty **TM42T** delivers unrivaled performance. Its compact dimensions and hydraulic outriggers make maneuvering and setting up both quick and easy and its spacious 4ft 7in wide platform provides the operator plenty of room to work. Operation and maintenance are also made simple, due to fully proportional hydraulic controls minimizing both downtime and running costs.

SAFETY FEATURES

- Cage Overload Sensing
- Pressure Sensitive Outriggers
- Audible and Visible Alarms
- Manual Recovery with Hand Pump
- Dual Controls (Platform & Base)
- Lock Valves on all Hydraulic Cylinders
- Overrun Brakes with Gas Spring Hand Brake
- Dual Harness Points
- Meets OSHA and ANSI regulations

Due to a policy of continuing development and improvement, Niftylift reserves the right to change any specification without notice. Please confirm exact specification before ordering.

The **TM42T** offers an up and over clearance of more than 18ft 4in allowing it to easily reach over larger obstacles such as walls and buildings.

Fully proportional controls and a spacious platform make the **TM42T** simple to operate with both speed and accuracy.
